

Best Friends Dinner

The grown up dinner helping children with a lot on their plate

Theme ideas

Dine with wine

Pick a variety of wines which complement the food you are serving and give your guests the corresponding wine with each course.

International cuisine

Pick a dish from around the world. You could focus on one country all night or take your guests on a trip around the globe...

Moroccan – a low table and cushions along with themed food

American diner – burgers, fries and cheesecake or ice cream sundaes to finish

Mexican – spicy food washed down with mojitos or tequila

Chinese – complete with fortune cookies (perhaps your local takeaway could help!)

Indian – time to get out your spices, or the takeaway menu!

British grub – fish & chips, bangers & mash... great British classics

School Dinners

Relive your school days with lashings of gravy, sausage rolls, custard and jam roly-poly!

Sunday Roast

Everyone loves a Sunday roast. Treat your guests to a special dinner with all the trimmings.

Gastronomique

Six small courses: choose from olives and nuts, bread selection, soup, salad, quiche, meat or fish with vegetables, dessert, cheeses, coffee and chocolates. Something to suit everyone.

Fondue

Always a popular choice, cooked meats and vegetables with melted cheese, followed by marshmallows, strawberries, grapes and melted chocolate. You'll be fighting over the last drops!

Murder Mystery evening

Add an extra element of fun to your evening by encouraging your guests to play a character from a murder mystery game (available to purchase from many shops). The food could be themed to compliment the story.

Indoor picnic

If you're short of chairs, invite your guests to sit on a rug, bring in flowers from the garden, use pebbles with permanent marker for name places (put The Place2Be website on the back so your guests can take them away as a memento). Keep it simple with buffet food.
